

EQUIPMENT WASHING INSTRUCTIONS

PRACTICE UNIFORM AND GIRDLE:

These should be laundered whenever necessary in order to keep them in clean condition. If the uniforms are not cleaned on a regular basis the stains will become difficult to remove. **NO BLEACH** and hang to dry.

GAME UNIFORMS:

These uniforms (pants and jersey) are to be for **GAMES ONLY** and should be cleaned after every game. Once again, **NO BLEACH** and hang to dry. Stain remover may be used.

This equipment is very expensive and is supplied at no cost to the player. It should be treated and cared for with respect. **ANY MODIFICATION OR UN-NECESSARY ABUSE WILL RESULT IN A CHARGE TO THE PARENT.**

It must be understood that at no time should this equipment ever be used other than on the practice field or playing field and only by the player it was assigned to.

PLEASE REMEMBER

NO BLEACH!!!
